Epochal breaks

Europeans need to get their house in order

By Wolfgang Schneider

The year 2019 marks the 20th anniversary of the Borken wording of the Security Conference at a decisive turning point in international affairs in which we have taken the world back into account. To Europeans, the crisis of the trans-Atlantic bond is not only a matter of trustworthiness, but also a matter of trust. To Europeans, the crisis of the trans-Atlantic bond is not only a matter of trustworthiness, but also a matter of trust. To Europeans, the crisis of the trans-Atlantic bond is not only a matter of trustworthiness, but also a matter of trust...
